

## 2021 Captain's Cup Awards & Scoring System

The winner of a team or individual Captain's Cup competition will receive a Captain's Cup Championship shirt in their choice of Blue, Green, Black, or Gray

For each Captain's Cup competition, we will award points to each unit/command/department based on finish with a maximum of 60 total points per unit/command/department per competition. In the case where we offer separate divisions for men's, women's, and coed, we will award Championship shirts and Captain's Cup points by division, but will still maintain a maximum of 60 points for the event. At the end of the Captain's Cup season, the unit/command/department with the most total Captain's Cup points, will have their organization's name etched into the Captain's Cup trophy. They will get to keep the trophy for one year, until the next Captain's Cup winner is crowned
