

# Where's Waldo? MWR Scavenger Hunt

## Official Rules

**When:** July 24-29 from 9am-4pm

**Starting Location:** Library BLDG 1802 - Map pick up location

**Ending Location:** Community Recreation BLDG 3328 - Map turn in location

Participants may pick up Scavenger Hunt Maps from the Library anytime between Monday, July 24 and Saturday, July 29 during normal Library hours of operation. Once you pick up your map, you will embark on a journey using your map as a guide to find Waldo (hung up on a piece of paper) in each of the facilities listed below! After you have found Waldo at the facility you are at, take a "selfie" with him and collect a stamp from the facility staff. If the facility is closed (i.e. Bowling is closed Monday and Tuesday, Movie Reel is closed Monday-Thursday) Waldo will be placed somewhere outside of the facility. All you need to do is take a selfie with him and show the Tickets and Travel Office for credit when you turn your map in! **Please note: Waldo will not be in bathrooms, employee only areas, or dangerous areas. He will be out in the open!**

Waldo will be at the following locations: Library, Theatre, Bowling Center, Fitness Center, Action Zone, Auto Hobby, and Community Recreation Center. Each of these buildings are listed on the map on the reverse of this page.

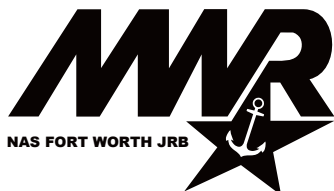

Once Waldo is found in every location, you may turn in the completed Scavenger Hunt Maps at the Community Recreation Tickets and Travel Desk for a \$10.00 "MWR Bucks" reward to be used for bowling games, rentals, etc!

As a bonus, there will be a Real Life MWR Waldo walking around in select MWR facilities on Wednesday. Anyone who takes a picture with him and posts it on our MWR Facebook Page @NASFWMWR with #WheresWaldoNASFWMWR will receive a bonus \$5.00 "MWR Bucks" award.

Finally, the first person to fill out the entire Scavenger Hunt Map, take a picture with the Real Life Waldo, and show both at the Community Recreation Tickets and Travel will be receive 4 Passes to Dinosaur World in Glen Rose on top of your MWR Bucks!

We will be following the fun with #WheresWaldoNASFWMWR on Facebook. We look forward to seeing all your awesome pictures!

Rules: Only 1 Map per Person. Please be respectful of people currently in the building/in line waiting for service.
